It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic—kills the cold germs—

raises the phlegm—loosens the cough and soothes the irritation.

"I have used Dr. King's New Discovery for the past three years and use it continually in my family. My children are very fond of it for it keeps them free from cold. I can't say too much for it, and take pleasure in recommending it to my friends." Mrs. A. S. Haines, Francfort, N. H.

Tomorrow Morning Starts Our January

Mark-Down Sale

Big Savings of Real Money on the Very Finest Suits and Overcoats

And right here is a great, big, important fact that you don't want to overlook—Not all the money saving is represented by the difference between our regular and mark-down prices.

It is an indisputable fact that our regular prices throughout

the season have been, as usual, from \$3 to \$5 less than those asked for equal merchandise in any store in the city. So just bear in mind that duplicates of our price reductions fall far short of affording duplicates of the actual money-savings you can make here now.

And, in addition to that, everything here is brand new—all this season's merchandise—all the best of its kind that the market affords. Nothing of uncertain age or doubtful quality is ever found in this store—sale time or any time—and you get the same careful attention and the same guarantee of complete satisfaction as if you paid the regular price.

craft. The keel will be laid in about two weeks. Mrs. Hanna will use the yacht along the Maine coast where she has a summer residence.

SOLDIER SHOTS SELF
IN ROME CATHEDRAL

Great Edifice Has to be Reconstructed Because Blood Was Spilled.

International News Service: ROME, Jan. 5.—Kneeling beneath the great dome in St. Peter's cathedral, where funeral services for the popes of the Roman Catholic church are held, an Italian soldier, whose mind had been unbalanced by wounds, fired a bullet into his brain with a revolver.

Because blood had been spilled upon the floor of the great edifice, it was immediately closed to worshippers. Afterwards the cathedral was reconsecrated by Cardinal Merry Del Val, former papal secretary of state, but it will not be reopened until tomorrow.

St. Peter's cathedral, the largest Christian place of worship in the world, adjoins the vatican.

WANTED—Lathe men, tool makers and wood pattern makers. Will pay good wages to competent men.
